

POST 1: ILLINOIS AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: Corey, a member of Laborers' Local 100, has worked for Illinois American Water for two years. As a drone pilot, he flies "missions" to inspect critical infrastructure to ensure quality, reliable service, and, most importantly, safety. Thank you, Corey! #DrinkingWaterWeek

POST 2: KENTUCKY AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: As Manager of Water Quality and Environmental Compliance, Dorothy is focused on making sure customers' tap water is of great quality because, as she says, "The service we provide to our customers is so important." #DrinkingWaterWeek

POST 3: TENNESSEE AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: In 28 years, Kim hasn't lost sight of her role in customers' lives as a Senior Water Quality & Environmental Compliance Specialist. "I always keep in mind that customers rely on us to provide quality water each time they turn on the tap." #DrinkingWaterWeek

POST 4: NEW JERSEY AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: Idali has worked for New Jersey American Water for more than four years as a Senior Water Quality and Environmental Compliance Specialist, using her knowledge to ensure that we're keeping our community—and the water that flows through it—safe and clean. #DrinkingWaterWeek

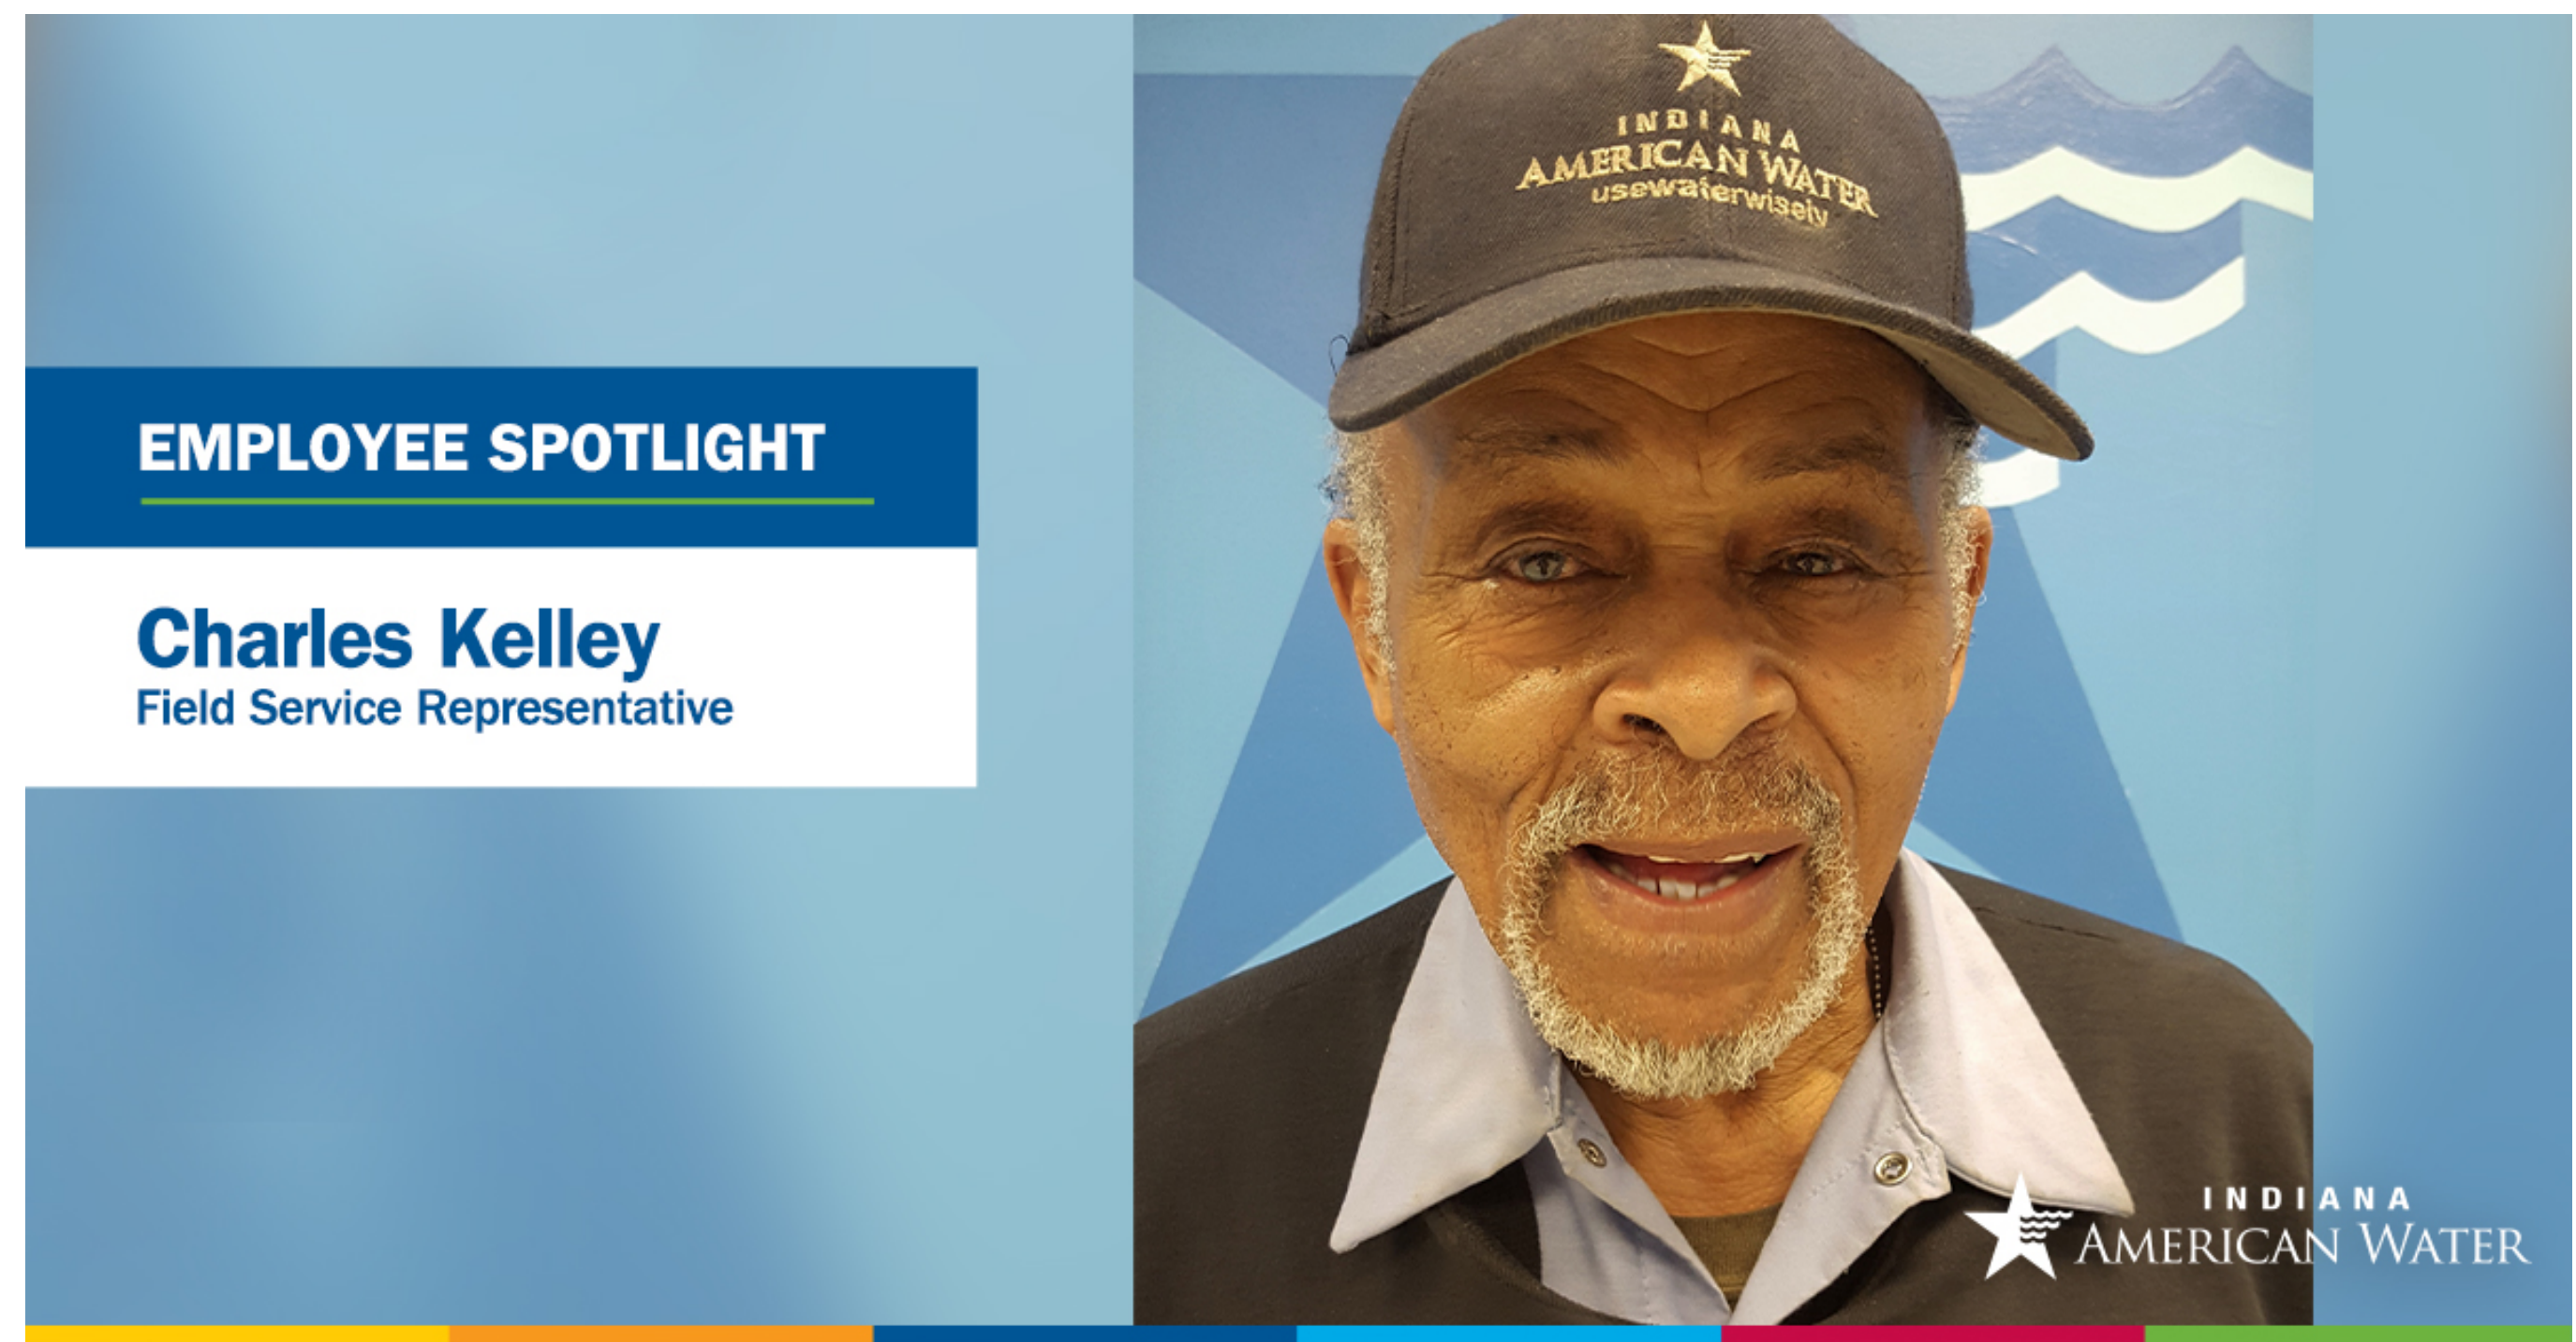

POST 5: INDIANA AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: After more than six decades, Charles is American Water's longest-tenured employee – and one of our hardest working employees, who keeps life flowing to our customers. #DrinkingWaterWeek

POST 6: IOWA AMERICAN WATER

1080 x 1080

1200 x 628

Post Copy: As a Water Quality & Environmental Compliance Supervisor, Josh is responsible for water treatment, quality operations and overseeing water testing. "Every day, we connect with our customers though their tap; that's a responsibility we take very seriously." #DrinkingWaterWeek
